HSH was founded in 1866 and as one of the oldest listed companies in Hong Kong, we have been producing annual reports for almost 150 years. These reports have improved from a basic one-page accounting document in the early days to this year’s 272-page illustrated book which showcases our high-quality portfolio of luxury property and Peninsula Hotel assets. The 2014 theme was “A Grand Debut in Europe” to celebrate the opening of our first hotel in Europe, The Peninsula Paris. Together with our design partners, Yellow Creative, we are pleased to receive such prestigious accolades from the ARC Awards, the world’s largest international competition honouring excellence in annual reports.”
